“ *Wow I can't say what a loss for words I am. I remember when we were 15 riding in the bed of a truck eating ice cream cones, back from the party store and his foot went in my ice cream cone.*

“ *The greatest memory I have was the day we brought Ethan our son into the world of life. It was truly just 1 of our best days. We'll until Billy seen blood 😭 well let's just say he almost passed out.*

*The time had to get staples in back of his head 😭😭😭 most know the story lol you can ask me in person I'll just give a small hint the swing and eye hook.*

*Or the broken toe in the shower.*

*We hated to love each other and love to hate.*

*We were definitely stubborn but we both loved our son Ethan so much. Ethan was bill entire world. He wanted the best for Ethan and would do anything for him.*

---
