“ *Butch will be missed by his many friends at work. We have 10 years of memories with Butch; and we all remember him fondly for his wit and his ability to tell a story with flair. He entertained us with his guitar; and he inspired us with his passion for the performing arts. Butch was gifted with a great imagination; and he wanted to share it with the world. We feel fortunate to have known him; and will miss his smiling face.*

I remember visiting Aunt Melissa and being downstairs with Butch in his bunk area, all the neat things he had made, and the fun we had. May he rest in peaceful painless sleep with God. “ We're blessed to have known Butch. He always was smiling and had a kind and gentle spirit. He was great with the kids. We loved his "performances":-) It still makes me smile how he called Sandy and Dan "Mom and Dad" and when someone who didn't know the family would hear that, you'd see them take a double take and look a little confused. I think he touched the lives of everyone he came in contact with. Butch was a blessing and I'm so happy he's now in heaven probably singing and playing his guitar beautifully and writing his plays. See ya in heaven someday "Pablo". Love "Aunt Karen and Uncle Bob"
