“ *We are all very saddened by Mike's death and our prayers go to Cheryl and her family. I worked with Mike 12 years ago on LS program and then again on S197 Mustang starting in 2001. I cannot comprehend the passage of time and miss those days with Mike and all the old Ford guys. We are sorry that we couldn't attend the services since we were out of town last week. But we will keep you in our prayers for strength during this difficult time. Love, The Wuebkenbergs*
