“ *I'm saddened to hear this. Bill was an awesome person and I really enjoyed his company. I'm happy I was able to spend time and get to know him. I've thought of him and the family often.*

“ *Joann & Family, I was so sorry to hear about Bill's passing. He was so good to me in all of my public life. We also had another interest since my late husband and Bill both attended Culver. Please accept my condolences. Marcia Van Fossen*

“ *Im truly sorry to hear about the lost of a loved one. Coping with death definitely has its challenges. What helps me is reading and meditating on John 5:28,29 which stats " Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out, those who did good things to a resurrection of life, those who practiced vile things to a resurrection of judgment." In the near future you will be able to see William again. I hope these word provided some comfort.*
