“ *Mallie, Mark and I were very saddened to hear of Bill's passing. We will both miss his quiet sense of humor. We'll keep you in our prayers. Come back to square dancing when you're ready even if it's just to visit.*

“ *Tim and I both worked at Ford in the toolroom at rawsonville with Bill for many years, we both liked Bill very much as did many others. He will be missed by all. We are saddened by his passing I also lived in Taylor and carpoled to work with Bill for a short time. I will miss his sense of humor and crooked smile!! Bill was a good man and a good friend. My only regret is that today is veterans day holiday so most people at work will be unaware of Bills passing until tomarrow when it will be to late to send flowers or see Bill one last time. I just heard and have called a few people who knew Bill... all were saddened If we can be of any help please contact me at my e-mail address hallstrom1@sbcglobal.net*
