“ *My heartfelt condolences to the entire Greeneisen Family, may beautiful memories bring you peace during this difficult time. I was able to enjoy lunch with Bill a couple of weeks ago and our conversation, revolved around our families. His face glowed with pride when talking about his wife and children. As a co-worker, if I asked Bill a question, he would often follow up with additional research and personally bring it by my office. I am going to miss saying "Good Morning, Bill" as I walked by his office.*

“ *Such shocking sad news. I am so sorry to family and friends. I had the pleasure to work with Bill as a customer of Impact's. Although I have never met you Leslie, I feel I know you well and I am lucky enough to have some of your pottery that Bill proudly gave me. Drew and Julie, wow, was he a proud Dad, his face would light up when we spoke of you both. Keep cooking! Bill, I hope they have a good trivia team up in heaven and a tasty Bloody Mary mix. Thoughts, hugs and prayers, Claire Thurber*

“ *To the entire Greeneisen Family: We are all so saddened by Bill's sudden passing. Shocked is the understatement as Bill just signed up to our Orange High School 40th reunion website the day before his passing. Please accept our deepest condolences from the entire Orange Class of 1976. We all had great memories from our days at Orange and Bill was certainly part of those for all of us. With deepest sympathies, Loren "Spanky" Margolis, Vice-President Class of 76'*

“ We will always remember Bill as a man who loved his wife and took such pride in her talent. When he visited Ohio the first thing he spoke of was his children's latest triumphs. He the embodiment of the Hail fellow well met and had a knack of finding the unique at tag sales (the egg separator). In Asian tradition only the greatest warriors get to go in their sleep Bill was a happy warrior that will be missed.

“ *Bill was always a wealth of knowledge, whether the topic was oil exploration, birds, or our favorite topic - food, just to name a few. We have great memories of him commandeering the green pontoon boat around Green Lake with our cocktails and appetizers while he gave us the history of area and the families who owned the cottages on the lake. We are deeply saddened with how he was suddenly taken way too early from all of us. We send our condolences to Leslie, Julie, Drew and the rest of the Greenheisen family. With love from the Stephan family, Sandy, Mike, Allie, Joe and Jake.*

*I have very fond memories of nephew Bill. In 1964 my family visited Kermit's family in Norway. Bill was attending an outside year-round kindergarten. Kathy was three years old. I was impressed with Bill. He could translate what the cleaning lady said in "Norwegian." William Howard Greeneisen will be dearly missed and always loved.
