“ *He was an incredible man, brother, and uncle. He touched so many lives and made a difference to all of those he touched. He was one of the "good guys" we hear about so often. His face was warm and his heart was even warmer. He set the standard for work ethic and left a legacy that will last forever. We loved Dan Huey and will miss him greatly.*

“ *I want to express my deepest sympathies to your family on the loss of your loved one. Times like these are never easy and call for us to draw upon the strengths of others. During your time of grieving please draw comfort from God's Word and the hope the scriptures provide. At John 5:28,29 it tells us that the hour is coming in which all those in the memorial tombs will hear his voice and come out. Draw on this hope from the Bible.*

“ There are so many fond memories of Uncle Dan. The family get-togethers and reunions, both formal and informal, and BBQ’s on the 4th of July. Spending time at Uncle Dan’s & Aunt Sue’s was always special. It was the family way. Those years will always be special and never forgotten. Although I am saddened by his passing and of your loss, I take comfort by knowing that Uncle Dan is now reunited with love ones heaven. I know that my Dad is very happy to be with him again. My deepest and heartfelt sympathy to Aunt Sue, Mike, Debbie, Brett and the entire family. God bless you all and Love, Rick Huffstutter

“ God placed a loving, kind, caring, giving man in my life when I was 12 years old. Sometimes God looks down and sees that you need something and the day that Debbie and I became friends wasn't just about our friendship. God gave me an additional family. There is so much that I could tell you about the things that he and Mrs Huey did for me and others. When we were in high school they opened there home for everyone in our class of 800 to come and build our school float, not all 800 showed up but enough that they might of had to stand in line to use their own facilities. Uncle Buford and I had a talk once about how Mr Huey saw to it that others got to do fun things like go on vacations to Florida. If he knew you he knew about you and talked to you about things that were going on in your life. I'll miss you, but be forever grateful that God placed you in my life. Love you. Paula

“ *Everyone contributes to this world, some good & some bad but this gentle man gave us all so many good memories, a beautiful family filled with love and a kind and giving way that you felt the minute you met him. It was a pleasure and privilege to know him and share special moments. I know he is feeling all of God's love in full right now and rejoicing that he lived his life as God intended - he passed the test and now has his reward. He will be missed but his generous heart will be reflected in his children. God bless all of you during this sad time.*
