“ First met Bill in early 1974 at Gratiot Auto in Pontiac, he came into the store for valve springs and only needed 12 of the usual 16 in a set, racing a 6 cylinder car when most everyone coming in wanted V8 parts! Conversation led to friendship, super sixes at Mt Clemens & Windsor, and then the long and wandering path from Redford Twp to Butler, Syracuse, Daytona, Flemington, Fonda, Orrville (ohio), Dealer's Choice, music and blues, Edison underground, Corvairs, Harley mufflers, and who knows what else. Diane, Kendra, Jane, Bryan, you guys let me into your friendship and family, through Bill, and cannot ever be forgotten. RIP, Bro Bill!

Bill

We have so many great memories together that it would be impossible to list them all .in the 65 years that we have been together we have never had one argument. You are one great guy. One item sticks in my mind back when you were the Detroit times paper boy on our block. You decided that the delivery of both the early and late editions was just a little to much. So the best thing to do was to tell the early customers of which there were only a few that the early edition had been discontinued not knowing that one of them worked for the Detroit times.

I am not letting you go anywhere. You will always be with me in a special place in my heart. Love you always.
