“ *Your Family has been an important part of the Dunn family for more years than I can remember and at least for the past 50 years of my life. He was a great man with a wonderful smile and always had the same answer to any question I ever had for him. Turn your cares to Jesus and he will take care of any problem you have. He was always there when we needed him. You were a blessing to have in our life and you will truly be missed. When I spoke with you about 10 days ago he told me he was ready I am sure he didn't know it would be this soon. But he expressed to me that he had lived a good life and that when God was ready he was too.*
