“ *A great neighbor & always willing to give us a hand when we needed help. He kept our washer & dryer in tip top shape. We also shared October birthdays which he loved. God Bless.*

“ *Our condolences, thoughts, and prayers go out to the family. I remember that Bill helped us out when we truly needed him - that was his nature. He was a very comedic character who always livened up any occasion.*

“ How well I knew and remember Bill. I've known him from his start in appliance repair. Allen Appliance, his partnership with John Casabier (forgive the spelling) in the repair business in Dearborn, and his being with Dix Washer. I worked for the Servall Co. for many years, as manager of their Dearborn branch and later in an office position. Take it from an expert Bill was a premier service man. The best. He was also a premier guy. God bless you Bill.
