“ *May God bless you during this difficult time. Your father's smile will always be imprinted in my memory and my heart. It was a great pleasure getting to know him and his family.*

With love and blessings,

“ *My mother Angela and I got to know your father while they both lived over at The Marquette House Assisted living facility in Westland. He was such a joy to know and never failed to recognize me when I would come to visit my mother. He always managed to keep a smile on our faces with all of his jokes! My mother has since moved over to Marywood Nursing center where Mr.Powell was as well. I would wheel my mom over to visit him. Your father was a wonderful man and I am sending my deepest sympathy to your family. He will be surely missed. I really enjoyed getting to know him! My mother went to Cass Tech High School as well and it was always a running joke between them!*

“ *Sorry to hear about your Dad. We all enjoyed his stories. He could certainly keep things lively. Our girls always referred to him as Col. Sanders. I think of him with a smile. Our best to all of you. With love,
