“ *Joe (and family) have been my next door neighbor since 2006 and have always been so pleasant. I truly appreciated seeing his family come in and out, his cute puppies and now having my kids have a new found friend in Aiden. We would share a go green or go blue occasionally or a grunt as we shoveled the sidewalks next to each other as neighbors would, but his character showed through especially when he cut some beautiful flowers and gave them to my mother when he saw us having a family party for her birthday. You will be missed, Joe but never forgotten.*

“ *Love and miss you Dad. Please say hi to mom, grandma blaze, star and fritz, and all the others. Until we meet again, please look over all of us, keep us safe. Love you Jackie and Jaime, will always be here for you, always!*
