“ *Bill was a real character, only a few people could get ahead of him. We wintered several years in Florida in the same complex where they lived! Bill was a very good golfer, and he loved to play, but as the years went by health issues slowed both of us down to playing very little! He always had a funny story to tell you and he would be laughing as he told it! Bill was the leader of the complex during some difficult times, hurricanes and other storms. He and others on the board always kept the complex clean and beautiful!! I'm sure he will be missed around the complex! He was as fine a gentleman in so many different ways! Best Regards, Lou & Marilyn Gladish*
