“ *So sorry to hear about Bill. I met him in the 1990's at the Bethany singles dances when I was President of Bethany West. He loved to dance and all the ladies were more than happy to accommodate him. I miss those days dancing with him and the smile he always had for me. RIP Bill.*

*So many wonderful memories of Bill. Arriving at Rochester with 4 loads of radios packed into his van - doors taped shut! Life lessons learned - buying used suitcases at the Goodwill for packing on the way home. Sitting around for hours talking about radios and cars. Wandering the North Cascades where Bill had a story to tell about every gas station or closed car dealership in every little town we passed through. He was not only my buddy, but a friend to my whole family. We were already friends when our daughter was born 30 years ago. So appreciate the many ways that we enjoyed having Bill in our lives. “ A loooong time ago, my brother Bill and I would occasionally get together for breakfast. Bill was between jobs, and I may as well have been, I had just started up my fledgling Auto Electric company. We were, shall we say, light on funds. So we would order the \$1.99 breakfast special (singular). Two eggs, two sausage, and toast. We split that, down the middle, and of course solved most of the worlds problems. Invariably, I would have half of my toast left, Bill would ask " Hey, are you going to eat that ?? " I replied, ' No Bill, it's yours !! '

And that is how it was, we were poor, while still being rich.

Billy, I will love you forever,

Danny

“ *My brother Bill was authentic. He lived his life his way which few of us do. My brother Bill was smart funny and truly loved his family. He often told me how much we meant to him and always ended our brother sister phone conversations with, remember I love you. Rest in love Cool Bill.*

“ *Bill was a Charter Member of the Ford and Mercury Restorers Club of America which started in 1969. He was always very involved with all the functions of the club like the Annual Dinner Dance and our swap meet every year. He was the type of guy once you met him you automatically liked him. Bill's vast knowledge of the automobile and radios will never be matched. He will be greatly missed by all our members. Here is Bill and a few of our club members at our weekly breakfast at Three Brothers Restaurant. Rest in peace my friend.*

“ *Billy always felt more like a brother than a cousin to me. From our earliest misadventures (before we could drive) taking the bus into parts of Detroit we shouldn't be in, Bill demonstrated an uncanny ability to make people feel, after ten minutes of conversation, like they were life-long buddies. It probably saved our lives. This gift of gab, along with his passion for old cars (and the parts that made them work), swap meets, antique radios and a later-in-life discovery of a love for swing dancing, all let him live life to the take-no-prisoners fullest. He will be truly missed by all his friends and family -- but, boy, did he leave us some memories.*

“ Bill was our friend and neighbor for 43 years. Living next door to someone for that long, you really get to know that person. It was difficult to watch his decline these past two years. He tried his best to “get better” but a cure wasn’t in the cards for him. We’ll remember our many conversations about life and family fondly. Bill was genuine, caring and definitely one of a kind.

May the angels lead you to paradise.

Miss you - Love you

“ Condolences to Bill's family and friends. He was a good friend to many people who loved and cared for him. And he was quick with a joke and a laugh. Bill's wry sense of humor was always ready with a quip like him proclaiming to me that I was his favorite brother-in-law. Bill had a big heart and loved his family through thick and thin, and he had a special bond and friendship with my spouse, and his sister, Mary. They would share stories and talk like the old friends they were when he visited us in Phoenix or on the phone in between. I'm so sad he's gone, but I'm also relieved Bill's no longer in pain and misery. He will be missed, but his lively spirit and memories of how he loved life remain with us.

“ My condolences on behalf of Eleanor's kids to all our cousins dealing with the loss of Bill. Ken was able to have a beer and burger with Bill earlier this year and we talked old times and looking into the future of getting back on the dance floor. But God had other plans for Bill. Sure wish we could all get together as we are not getting any younger. We miss the days of picnicking at Camp Dearborn and playing around the old Newburgh homestead with all those old cars out back. Bill always had a smile and some story to tell about some relic he was looking for to trade up on. In our hearts remembering Bill.

“ Our Condolences to All of The Timoszyk Family from Richard and Marian Bliznik..Bill was our lifetime friend. Richard met Bill at St. Mary's in Wayne Mi. They were lifelong friends enjoying many of the same activities..mainly their appreciation and love of cars. Bill and Richard were roommates at EMU for awhile and Bill was in our August 1973 wedding. Going to any car show with Bill was fun..he shared all of his knowledge about each one.Bill liked to “babysit “ our cars when we were gone! We remember his annual trips to California , staying with us as he went to car and radio swap meets returning to Mich. with 2 rope tied suitcases full of car and radio parts. He always enjoyed the large pot of chicken soup ready for him on his arrival. Thank you for the shared memories all through the years Bill.. you will be missed. Richard and Marian Bliznik
