“ *My dear sweet Willie,
It seems hard to believe but it has been 9 years since the Lord called you home. Words can never explain how much I love and miss you. My brother Bob has joined that elite club in Heaven, which I am sure you already know. Caleb, Riley and Mackenzie are growing like weeds. They are so beautiful. I look forward to see what they will do next. Silly Zachary got into an accident on his dirt bike and did get hurt but is healing. I am not convinced that he will slow down though. Oh to be young and fearless!! I still don't know where time has gone. I am 65 and my hair is totally white. I still look forward to the day but I think the Lord still has something for me to do so I must be patient to see you again!! I am hoping to travel to Hawaii and Washington D.C. in the foreseeable future. Cisco is going to be 15 this year and I hope you and Weezer have been reunited. The boys are doing great and Billy has been my rock!! My thoughts and prayers are for giving thanks to God for all the blessings he has bestowed upon me. Please let everyone know that I send my love. Take Care My Love Until We Meet Again.
Your Loving Wife,
Renee*

“ *My Dear Sweet Willie, It is 2 days shy of 90 months since your departure and my heart remains so broken. I Miss You My Love. The Loss never feels less. I Thank God for the Love and the Time he gave us. My Dad and Mom are there together again. Perhaps you have seen them. I sent a message for you with my Dad. A lot has happened in 71/2 years. Zachary our grandson has 2 children of his own. A boy Caleb and a girl Riley. Brittany has a baby girl Mackenzie. How beautiful they all are. What beautiful gifts from God. Cisco is doing real good but Weezer has diabetes and is blind. He does very well though. I take very good care of them. It has been awhile since I wrote you so I thought this appropriate. Take Care My Love I Love You So! Remember The Day!! Your Loving Wife, Renee.*

“ *My Dearest Willie- My Husband, It has been 2 years since the Lord took you home to rest. Although many people think this time has past quickly, it feels like an eternity to me. I Love You and Miss You so very much Sweetheart. People say time heals all wounds, but obviously they have never experienced the Love we shared or the enormous Loss that comes from Death. Time doesn't heal, only the Lord can heal a Broken Heart. And I do know the Good Lord will when the time is right. There isn't a day, a moment, or even a second goes by that you are not in my thoughts, my heart and my prayers. I will always "Remember the Day", and "I So Look Forward to the Day", when the Good Lord lets you take my hand, and WE Go Home Together Again"! I will Love You Forever and Ever Willie! You are my Husband, My Soulmate, My Sweetheart and My Best Friend. Love Always, Your Wife, Renee*

“ *My Dearest Willie, It has been 15 months and 19 days since the Lord took you in his arms and took you home. My heart truly aches for you, but I do know, through the Grace of God, we will be together again. And yes My Love, the two most precious days of my life also, were the day we met and the day we meet again.*
