“ Blessings upon all the Wilson's at this time of grief. I had Mr. Wilson as a biology teacher in my sophomore year in high school Wayne Memorial (1975). He was a gifted and strict instructor. I always had the greatest respect for him (as a teacher and authority figure). He was stern, but had a quick grin. I have never forgotten him.

*I work as a greeter at the Vermeulan Funeral Homes (mostly at the Plymouth location). I saw his name and wondered if this was my teacher.*

*Many blessings upon your family. God bless you all.*
