“ Grandma loved her family so much!! She was a great woman who is in heaven now praising her Jesus! She has seen a lot of places but what she has now is so much better. Streets of gold and a mansion to live in. Peace and love.....

“ Wilma was a very good friend. We are all going to miss her. She taught me how to operate a computer after many years of me telling her I wouldn't use one if I had it. She came up , hooked it up, got me on my way. She was a dear & precious friend.
